Lost and Found- We're getting ready for a Spring Clean-Up! Please be sure to check the basket outside my office door for your lost items. Anything not picked up by 4/8/19 will be donated to charity. Thank you!

Community Collection Recycling Project

This project is a win-win....you get to recycle plastic and the school gets a new bench! If we collect 500lbs of plastic in 6 months, the Trex company will donate a free bench for our use! Help us reach this goal.

What can be recycled?

Grocery bags, Bread bags, Case overwrap, Dry cleaning bags, Newspaper sleeves, Ice bags, Ziploc and other re-closable bags, Produce bags, Bubble wrap, Cereal bags, Packaging air pillows

All plastic must be clean, dry and free of food residue.

Look for the collection bins inside the inner lobby of the preschool in the next few weeks.

Outreach Opportunity - YoungLives

YoungLives is a ministry to teen moms. Treating each mom and her child(ren) with unconditional love and respect, YoungLives offers teen moms relief from the isolation and struggle of their daily lives. The first Saturday of every month the girls and their babies attend "Club", a time for fun and fellowship. They have a meal together, do activities and learn about Jesus. Attempting to teach practical skills as well, YoungLives has recently begun offering the girls cooking classes which have been enthusiastically attended!

As you can imagine, these teen moms have many practical needs. One of these needs is for an **infant car seat**. If you have an infant car seat that has never been in an accident and would like to donate it to a young teen mom, please use the form below to do so. Maury will collect the carseats. Your donation will be greatly appreciated!
