

Enrollment

Age Requirements

Children who are two by March 31 are eligible for the Two's Together program. Children with later birthdays will be considered for enrollment if spaces are available and in accordance with state regulations.

Children who are three by September 30 are eligible for the Three's program.

Children who are four by September 30 are eligible for the Four's program.

A Pre-K program is available for young five-year olds who have summer or fall birthdays.

An extended-day Kindergarten program is available for children who are five years old by September 30.

Application Process

To begin the enrollment process, an application must be completed and submitted, along with a one time only registration fee of \$50.00.

Advanced registration will be prioritized in the following manner: church members, currently enrolled families, alumni and children enrolled on a regular basis in the Weekday Playgroup and referred by the Weekday Playgroup Director.

Philosophy

Our Preschool and Kindergarten is a quality learning center, licensed by the State of New Jersey and sponsored by New Providence Presbyterian Church for community use. A Governing Board is the policy-making body of the school. Representatives include the School Director, active members of the church and a representative from the leadership of the church.

We believe that children grow and thrive in an atmosphere of Christian love where the curriculum addresses the needs of the whole child and the staff is sensitive to the individual needs of children.

Elements of our curriculum include:

- positive self-concepts
- self-control
- cognitive and perceptual skills
- independence and interdependence
- language arts experiences
- music and art activities
- large and small motor skills
- imaginative play

All of these elements are taught under the supervision of caring teachers who guide, challenge, encourage and love each child. Above all, we strive to teach children to honor God as we encourage love for learning and love for Christ.

The preschool experience is designed to complement family life and we encourage frequent and open communication with parents. Our goal is to provide a quality learning experience which will enhance the spiritual, intellectual, social, emotional and physical development of the young child.

Registration

Registration for the next school year starts early in December.

After your application has been received, you will receive notification of placement. At that time, a 30% non-refundable deposit is required. This deposit will be applied to tuition for April, May and June. Fees and deposits are non-transferrable, non-refundable.

Classes

See brochure inserts for individual class options, including before and after care, and pricing. All classes will run pending sufficient enrollment.
