

April

Spring has arrived and hopefully our days will warm up! We do anticipate many fun times spent outdoors enjoying God's creation and playing with our friends. This year with the addition of Nature's Classroom, every class has 60 minutes/day of outdoor time every nice day! Additionally, the enrichment classes will often be outside again during the afternoons. While you are most welcome to use our playgrounds/picnic areas *after* school, please allow the teachers to use those spaces for their classes *during* school hours. Finally, please apply sunscreen to your child before school. Thank you!

In April, I look forward to Easter with gratitude! You are warmly invited to either of our Easter worship services. Here is the schedule:

### **April 17<sup>th</sup> - Easter Sunday**

- 6:30AM Sunrise Service in the Memorial Garden  
(there will be signs directing you to the garden from the parking lot)
- 10:00AM in our outdoor tent which will be set up in the parking lot (please note that there will be limited parking from the week of April 11<sup>th</sup> through May 9<sup>th</sup> because the tent will be set up in the lot. And I will not be able to put up the chair blocking off the drop off areas so please use an abundance of caution in the parking lot those weeks!) I'm sorry for any inconvenience this may cause you.

## Outreach Opportunity - YoungLives

YoungLives is a ministry to teen moms. Treating each mom and her child(ren) with unconditional love and respect, YoungLives offers teen moms relief from the isolation and struggle of their daily lives.

As you can imagine, these teen moms have many practical needs. One of these needs is for an **infant car seat**. If you have an infant car seat that has never been in an accident and would like to donate it to a young teen mom, please use the form below to do so. I will collect the car seats. Thank you - your donation will be greatly appreciated!
